His protagonist, Brooke Burrell, and her cohorts are some of the most interesting and compelling characters in the genre. The storylines weave and twist nonstop to a gut wrenching climax. This is a must read novel.0 of 0 people found the following review helpful. A Money-Laundered Thrill RideBy MIKESAs someone who is involved directly in counter-money/anti-terrorist financing services for governments and corporations, I found this book a very welcome foray into a field about which most Americans are unaware. Beyond that, it maintains the same kind of frenetic, forward-moving action as in Avitabile's previous novels. But, in my opinion, even more interesting characters. Read the book, learn something, enjoy the ride.0 of 0 people found the following review helpful. It always starts out as routine, even when you are only doing it while your husband is deployed at sea. Even if it began as a safe, easy way to make enough cash to start a family. Even if there were no way you would ever get stuck doing it full time... after all, that's why you retired from the FBI.But then they killed off your prime witnesses all over the globe, erased all their digital fingerprints from a Wall Street hedge fund, blew up your office, tried to blow up St. Pats and, with unlimited funding from financial plays in the stock market, launched the biggest, most devastating attack ever directed against a city. One that no one saw coming. An unthinkable event that would have ramifications for the next one hundred years or more.And all you wanted to do was go home to Hawaii and coach high school soccerhellip;Welcome to former FBI agent, Brooke Burrell's life. THIS DAY presents FBI female vet Brooke Burrell who's kind of a post-modern, though equally jaded Clarice Starling. Little does she know that her cushy, quasi-retirement is about to be interrupted by a villain as fiendish as Hannibal Lecter, though on a global level. Give yourself only this day to read it, because that's all you're going to need."– Jon Land, USA Today bestselling author of the Caitlin Strong series "Avitabile masterfully navigates one killer of a thrill ride within a cautionary tale of global proportions...and in Brooke Burrell exhibits a remarkable grasp of the female psyche."– Olivia Rupprecht, bestselling author of THERE WILL BE KILLING "In GIVE US THIS DAY, Tom Avitabile has created another action-packed thriller that offers a diverse and likable cast of characters, a diabolical villain, and a remarkable doomsday scenario that will both frighten and amaze the reader.
